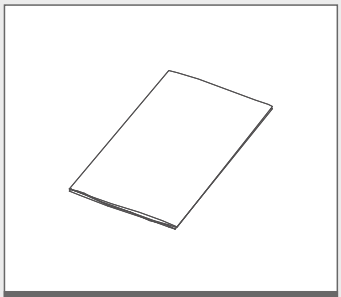
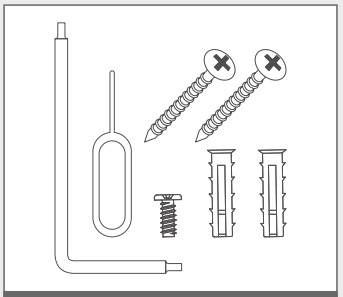
Video Doorbell



User Guide

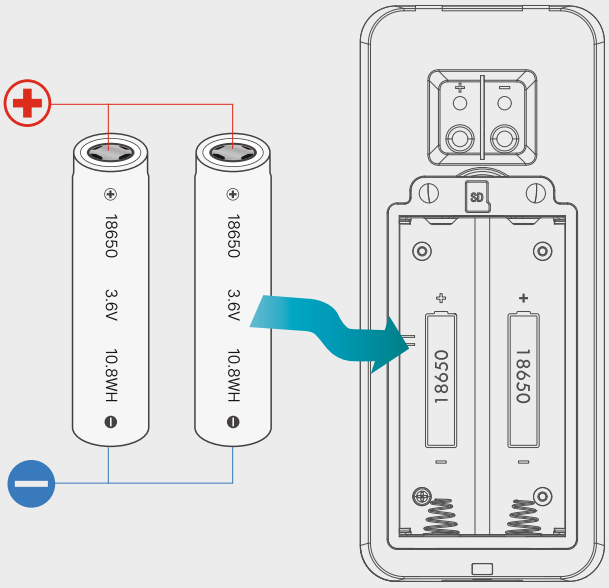


Screws & Tools

## MEET THE DOORBELL

## BATTERY INSTALLATION

The batteries are pre-installed into the doorbell. If you had taken out the batteries, please note the electrodes when install them back. Do put the positive poles upward!



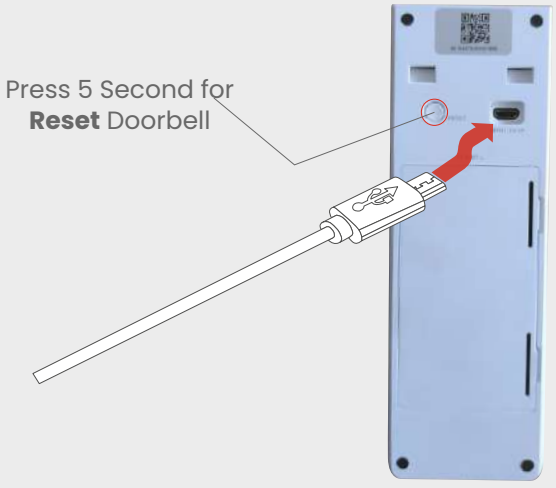
**NOTE:**

Improper battery installation will cause damage to the internal components and may result in serious injury.

## BATTERY CHARGING

The batteries inside the video doorbell are not fully charged in accordance with transportation safety regulations.

Please charge the batteries with an USB compatible wall charger(not included in the box) and the provided USB cable for around 8~10 hours prior to Wi-Fi set up and installation.



# APP DOWNLOAD

## 1. Downloading and installing the APP
